I think my article can get shorter now that Sherry is covering so much in her social article. Be such and read it as she is working very hard to keep you informed of what is going on. Try and visit as many clubs as you can in August. At our meeting we did not set any one dance because we have so many things going on in August. There will be signup sheets at Cowtown Singles Dances.

I talked to Dottie Bowers a couple days ago and she is so happy. She said she loves getting the paper and really looks forward to it. Good job Shirley. She said she loves the pictures also. She is meeting lots of new friends at dinner where they have tables of four. They have church there on Sunday at 3 PM so she gets to go. If you have time she would love to hear from you.

I had a call from Helen Crum and believe it or not she fell and has been in the hospital again for a whole month. I told her we didn't know and she said nobody did. Dan and I were on vacation when we had our July 1st dance so I didn't know Helen wasn't there. She is home now so we hope she is feeling much better.

All of you did a great job on our July 1st dance. It turned out to be a wonderful dance with Andy Allemao calling and Carol Allen cueing. We had a full house and I was so proud of how you all filled in. Good job members.

Don't forget our special night on September 7th. It is free to all the angels who are going to help with the class. The club will furnish the food that night and it is to be a fun social. Steve Woodard our caller and Janet and Phil Vinokur our Class coordinators will give some of their ideas of what they want to do for our class. Don't forget to be asking everyone you meet to start lessons on Sept. 14th.

At our last meeting we had Sherry, Rollin, Don, June, Beth, Aunt Pauline, Lois and Bruce all gone for various reason. I didn't think we would have enough to conduct a meeting and believe it or not members just kept showing up and we had a wonderful meeting. The table was full and we were able to get a lot of business discussed. It makes me so proud of all of you the way you are coming forward to help and have fun. That's what a club is all about. Your ideas are very important to your club. It was good to see Sita who is taking care of her step Dad and Gene who is just getting over back surgery. Our next meeting is August 8th at Carrow's. Hope to see you.

Freshly painted sign out front.

I would like to say thanks to our Cowtown Singles members. Dan and Betty deserve a HUGE thank you. They are like the Ever Ready Bunny that just keeps going and giving. Our class is gearing up for September and our Social Committee keeps finding fun things for us to do. Our members have been great in supporting our dances, bringing refreshments and helping to clean up. Membership is underway; the visitation and calling committees are keeping members involved and the list (too long to mention everyone here) goes on. But we can't forget the hard work that goes into getting this Newsletter out every month...from the contributors to the great job Shirley and Mickey do in putting it all together.

Keep it up and hope to see you at the Picnic.

## Do You Remember?

Movie stars kissed with their mouths shut. At least they did in the movies. There were no movie ratings because all movies were responsibly produced for everyone to enjoy viewing without profanity or violence or most anything offensive.

If you grew up in a generation before there was fast food, you may want to share some of these memories with your children or grandchildren. Just don't blame me if they burst out laughing.

Growing up isn't what it used to be, is it?

## CLASS COORDINATORS

JANET & PHIL

Phil and I are happy to be getting ready to be your class coordinators this year. We both love the new dancers and enjoy helping them get their start in the wonderful world of square dancing with us. Last year, Phil came early and helped out the struggling dancers, and we think this was a successful idea which we want to continue. Our Wednesday nights have been restful, but we are ready to get back into class and dance midweek again. We missed class!!

It is so important to the future of our club that we start with a big class. This is where YOU come in. Please be mindful of this in your everyday life this month. As you come across anyone who looks the least bit interested in dancing, be bold and mention the class starts soon. I know you have invited all your friends already to previous classes. So now, we need to broaden the field and throw the net out to people we work with, go to church with, neighbors, co-workers, and complete strangers. I have recruited a couple from my swim aerobics class. You never know where we will find them, but find them we must!! Then, follow up and bring them to the first class. I found meeting people for dinner before class helps too! Whatever works! LOL!

Remember that class starts this Sept. 14th. Our teacher will be Steve Woodward. We will need you as an angel also. Let's make this a great class.

See you there. *Phil and Janet Vinckur*

We had a wonderful time in San Clemente at Dan and Betty's condo. Phil & Linda, Shirley, June, Beth, and myself enjoyed the walk on the pier, we witnessed a 25 lb. sand shark that was just caught. The man never caught one this big before right off the pier. Actually, regular fish were being caught by other people too. It was overcast until 10:30am. It became a breezy, windy day and it was perfect walking along the beach on a designated path next to the railroad tracks and the ocean. With the pier walk plus the path walk, June, Dan and myself did about 2.5 miles. Then we ate our pot luck food, and headed for sun and fun in the sand. The beach and pier are straight across the street from the condo. How convenient. Thank you, Betty and Dan.

Some of us attended the Concert for Heroes on July 3rd at the Riverside National Cemetery. What a treat. We listened to patriotic songs and George Gershwin medley of songs. Nice cool night and some beautiful fireworks at intermission. This is the only National Cemetery that has an orchestra entertaining, which was the Riverside County Philharmonic.

Remember our next outing is August 13th, Cowtown Singles Picnic at Phil and Linda's. Bring a dish for the potluck. Hot dogs and burgers will be provided by the club. Be sure to bring your swim suit. We always have a great time, so come join the fun. There will be a signup sheet at the dance. All club members and their invited guests are welcome.

August 27th is our Lake Elsinore Storm Baseball game. Let me know or Betsey Keeley if you are going. I'd like to reserve our tickets ahead of time. Do you want to get the hot dog, chips and drink included for \$12.00. Otherwise we get the \$8.00 tickets in a pack of 10 for \$80 and exchange our coupon for a ticket at the game. See last newsletter for more detail.

Betsey Keeley is assisting me, her number is (951) 780-6926. I will be traveling again to my parents. I am also having the last of the varicose vein surgery. Don't forget the live entertainment at the Redlands Bowl on Tuesday & Friday nights. All events start at 8:00 pm and are free.

Enjoy the summer. Our heat wave is here!!!! Hope to see you at the picnic and the baseball game. It is Don Hendrickson's birthday. Let's celebrate the lazy, daisy days of summer!!! *Sherry*

To all our members!!!

Hello again, as the months are moving by fast, even if they are WARM!!! There is only about two months left for me to send in the insurance money to CCHA so I need you to renew soon!! It takes about three months to go thru the cannel before we have the insurance. This is why I need to send it by the middle of September. I hope that everyone wants to renew for the year 2012 and will send it to me soon.

Thanks in advance... *Hunt Pauline*

Lois Roberts

Dear Friends,

Well we did better this month as far as staying healthy. Our thoughts and prayers go out to Susan Cain who lost her step-Dad. Also to those who were ill and we didn't hear about them. Keep dancing and enjoying your summer! Thanks for your input. God Bless each one of you.

# Visitation

## Just Visiting

We had 17 members at our visitations on July 9th. We almost got a banner. The only problem was, 12 dancers went to the Sunkissed Squares and 5 went to Wagon Trains Squares. At least your getting out and dancing. Let's try to get more people at one location. We all had fun, that's what counts. We have a very busy August coming up, so we won't have a scheduled visitation. If anyone wants to do a last minute visitation I always know of good dances and callers. If you want to go to a particular dance give me a holler and we will schedule it.

I don't know the dates but we have a picnic/pool party at the Wickers home and also a baseball game at the Lake Elsinore Storms, see Sherry's article for more information.

Don't forget Sept. 7th is Angel Appreciation night. See Elaine's article for more information. New class starts on Sept. 14th. We need everyone to come and support the new class.

See you in a square, *Charlie*

## Elaine's Blabber

We had a great time at Sunkissed Squares with Larry McBee calling. I'm sorry I can't make all of our visitations, but I still have to work. Just wait until I retire, I'll dance Charlie's feet off. Till then I will just keep calling you to remind you of up coming dances and other club activities. Look for flyers and emails about the pool party at Linda and Phil Wickers home. Don't forget our club dances and other things we have coming up.

On Sept. 7th there will be a dance and pizza party for all our angels for the new class. This will give Steve and our class coordinators Phil and Janet to tell us how they plan to teach the new class and they will answer all your questions. Very important date, Sept. 14th the new class starts. Bring your fiends, neighbors, co workers, etc. Maybe hijack a bus!!! Flyers are available at the hall. Pick up some to distribute. Put them up on a bulletin board, but be sure to get permission first. Also if anyone has connections with local newspapers, some offer free ads, feel free to write up a little article and submit it. It would really help us!

Your call girl, *Elaine*

# Callers for August

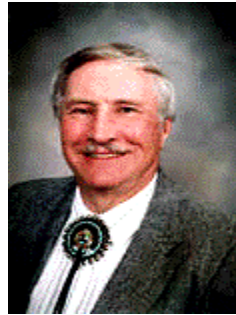

**August 5th  
Brent Lively**

Brent has lived in the Colton area since he was three weeks old. When his wife, Terri and him started dating in 1974, she got Brent to go Square Dancing. Brent called his first tip at the Single Swingers 1/2 way dance in 1998.

Brent was given the nickname of Gumby from Cliff Simpson in 1999, while calling without teeth because of radiation treatments for cancer. Square Dancing is just one of the many activities he enjoys, but it is the one that kept him going during his cancer treatments.

Brent loves to dance, and he tells others that if he didn't dance at least a couple of times during the month, he gets cranky ( and if you ask Terri, she will tell you this is true). Brent states "Cowtown Singles has always been good to us and you were the first club to actually contract me for a dance. Thank You for your support. We Love You All."
