President's Message:

. . . **Betty Lawyer**

Is everyone ready for vacation? It seems like we must have lots of people gone, by the turnout at our last dance. I know it is hard to get ready and come when it is warm but we really need you to support the dances. The people who did come had a wonderful time and we had some delicious food. Thanks to all of our members who came out and brought refreshments. When the summer months come, lots of members will be planning vacations so it is important for the rest of our members to try and cover for those who are gone.

Our last meeting was a potluck at Don & Michele's home. It was a super meeting with good attendance of our members. The food was super and lots of it. Thank you so much, Don & Michele, for sharing your home. We covered a lot of material at the meeting and the next meeting will be back at Carrow's. We hope to see all of you. If you are not coming, you are missing a great time to socialize with your club and be in on what is going on. The By-Law committee is about done with the standing rules and we should be able to finish them at our next meeting.

We have a wonderful team with Sherrie Stanke and June Jacobson planning fun things for us to do. Please read their article and support your club when they go to the work of planning things.

Shirley Parker has been doing a wonderful project with collecting the money for Wayne Canfield's bracelets. The proceeds will go to the American Brain Tumor Association in Wayne's name. I think last time I asked her she had sent in around \$700.00. Good job Shirley!

With so many of our friends having medical problems, we should be out there dancing while we can. For those of you who know Ken and Julie Horner from our last class we had some sad news. Ken has Adenocarcinoma of the Pancreas and had surgery May 19th. We pray for his recovery. See you in a square.

Betty

Vice President's Message:

... **Michele Campbell**

Well, our first 4th Sunday dance had 12 squares. We are hoping for the same for our May Dance. There will not be a dance in June due to Nationals. Our class also had a demo this month for the Moreno Valley PTA council. We are hoping that will be fruitful for us. I want to give a big Thank You to all of those who support the class. We are doing well, but still need your help. We are looking to have a great picnic this year that will have events for the whole family. Please let us know if you have any ideas. Please remember as we roll into summer that the class still needs your support.

See you in a square.

Michele

Social Activities:

.. **Sherry Stanke
& June Jacobson**

As you know, we all had a fun time at my house with a potluck in April and then attending the Ramona Play. June and I hope to get our Club Picnic arranged for July or August. We would like to do a Lake Elsinore Storm baseball game probably in August. In the month of June we have the Square Dance Convention in Long Beach and also there are graduations, so we are not planning anything for this month. If anyone has a house with a pool to offer us for our Picnic, we are all ears. If not, we will have it at a local park. Please let us know. Thanks a lot and have a great summer.

Sherry & June

“Cowtown’s Party Line”

We are looking for a Telephone Chairperson for our club. Thanks to all the “call girls:” Margie Hart and Fern Yonnes by telephone; Sue Seman by email.

Sunshine & Shadows:

.. **Lois Roberts**

Hi Friends, Sure hope you are all enjoying this nice weather and staying well. Cards were sent to Fern Yonnes who has been ill, and to Caller Mel Branham, recovering from heart surgery. Our thoughts and prayers are with the both of you and also others we may have missed. Please let me know if you hear of anyone who has been ill, so that we can get a card out to them. See you in a square.

Lois

Visitation:

.. **Shirley Parker**

NO OFFICIAL VISITATION FOR JUNE

At our April visitation to Sunkissed Squares, we had just 8 club members and 3 friends that signed in for us. Those attending were: Dan & Betty Lawyer, Betsy Keeley, Pauline Shawver, Shirley Parker, Beth Houlihan, Priscilla Hampton and Wayne Allen. Friends: Bill Cranston, Mike Chambers and Mary Wells. This gave us a total of 11, so they gave us our banner back. Why can we not get the rest of our members to go to a planned visitation and support our club? If the different clubs do not support each other by visiting, how can we exist? If clubs keep closing, it will not be long before there will be no place to square dance. Is this what you want? There is no planned visitation for June because of the National Convention. When we plan a visitation for July, I would like to be surprised with a big turnout. Can you do this for your club?

See you at a dance.

Shirley

June 5 – CLIFF SIMPSON
"June Flowers"

June 19 – ROY STEVENSON
"School's Out"

CLIFF SIMPSON – Friday, June 5: Cliff began Square Dancing as a teenager in 1960. After dancing for almost ten years, his curiosity for the complexities of Square Dance choreography took hold and he began his calling career in

1969 while serving in the U. S. Marine Corps. He continued calling and dancing through his retirement from the Marine Corps in 1984 when he settled in southern California. Cliff has called in 43 different States, Canada, Mexico, and Japan.

He is a member of the International Association of Square Dance Callers (Callerlab) and is a past Chairman of the Advanced Committee. He continues to serve on the Advanced Committee as well as the Plus, Mainstream and Definitions Committees.

Cliff is currently a Full Time Caller and travels throughout the Southwest. One of his pet projects is the annual Breast Cancer Dance and encourages all Dancers to buy a pink ribbon.

He thinks Square Dancing is the greatest activity going. You always meet the nicest people. Square Dancing is how he met his wife Peggy. What more can be said.

ROY STEVENSON - Friday, June 19: Roy Stevenson lives in Lakewood, CA. He has been calling for 14 years and calls Mainstream through C-1. Roy teaches beginner classes in addition to teaching a Plus DBD workshop and an A-2 workshop each week. He is also the caller and teacher for

a new youth oriented family club in Southern California. Roy has called in Texas, New Mexico, Montana, Oklahoma, Missouri, Nevada, Arizona, Colorado, Alaska and California.
