### **President's Message: Betty Lawyer**

What a busy month for all of us! So many people are on vacations or getting ready to go. Our club has also been very busy. With so many things going on, it is hard to know how to divide our time so we can do it all. The class is doing great! Cliff Simpson called the second class dance on May 23rd. Students from several other clubs attended. It was lots of fun! Try to make as many Class Dances as you can.

Wagon Trains Club has been sending out emails to their club members telling them that if they are planning to keep any of these class people that they must come to class and build relationships with them. The same goes for our club. I know many of you angels come out every week and are not concerned with which club the class will join but want them to learn to dance. I thank you for that. We also have to hope that some of this class will join us as Cowtown Singles and help build new energy for our club. It is only natural for us to want new members. I think June, Beth and Janet are doing a great job with the class.

Sherrie did it again. What a great Bunko party! Tons of delicious food, social networking, and lots of fun. No one was ready to stop playing Bunko when the game was over. Sherrie works very hard and puts in many hours on the phone to make these parties turn out so good. Kim Lower won high score and Lois Bell's friend, Jackie, won for most losses. Richard Cameron won for most Bunko's and Bonnie got the bunko bag. If you didn't make it, see the fun you missed.

If you have any square dance clothes you are no longer using and would like to donate them, we can sure use them. We will have a clothing sale soon, so let me know. The last clothing sale was very successful.

Be sure to read Sherrie's article about upcoming social events. We have a baseball game and swim party planned for this summer.

Our next Cowtown Singles meeting is at Carrow's on June 21st at 6 P.M. I hope to see you there.

## Modern Square Dance Class

Coordinators: June, Janet, and Beth

We had a GREAT class dance on May 23rd with 10 squares on the floor! Our new dancers were just great and had lots of fun. Feels so good to watch them becoming square dancers and dancing with people from other clubs. About 5 other clubs brought their class, too. We had another clothing sale and now we are in need of more used clothing as our supply is getting depleted. Everyone check out your closets and donate what you can. This helps our new dancers extend their wardrobe and our clubs benefit financially from the sale.

Thanks to all the angels for coming out on Wed. night to make strong squares for the class. Thanks to all the ladies who are willing to learn the guy's role so more people can dance. Thanks to all the ladies who loan their partner to a class member. We appreciate all of you for your support!

The class is into plus now, so it is interesting and fun. The class is doing so good and the classes have been well attended. If we are planning to keep any of these people, we must build relationships. Each of you have a special personality which will appeal to different people. I am asking you to come and see which of these people might be your future friends. We all know that we need new people with new energy. Please consider if YOU are doing what it takes to build OUR club. Besides, it is really fun. Hope to see you Wednesday at 7:00.

## Sunshine - Sherry Stanke

Our love and sympathies go out to:

- 1) Carrie Masters & family. Carrie's mother, Barbara Haskell, passed away after a short time with hospice. Services were held May 15th, in Beaumont. Many dancers went to the service at the mortuary. Then there was a potluck followed by square dancing. It was just as Barbara had wanted - a fun celebration enjoyed by family and friends.
- 2) Myrna McIntire recently lost her mom. Myra had spent time the last several years back East caring for her mom.
- 3) Lois Bryant was sent a note of encouragement. She has been checking out nursing homes for Stan Tomsic, who is battling Alzheimer's and just is not himself anymore. Lois has been there for Stan through thick and thin.

Steve Woodard, one of our callers, had a stroke. He has lost memory relating to his day time job as an account supervisor, but his night time job of square dancing calling, is all in place!!! We wish him well. Diane Manning has bronchitis/pneumonia/dental issues. Damper climates, like Florida, agree with her. Thus her humidifier is in constant use. Baker Oden passed out at Cowtown and ended up in the hospital with a diagnosis of pneumonia. He is doing much better now, but can always use some TLC. Darryl Feekes remains at Braswell's Colonial Care Home in Redlands. He is having a very rough time. June Jacobson is suffering from sinus problems and is on antibiotics. We rely on her so much to help with class and whatever else. We wish her and all of the above their health back, and soon.

If anyone is sick or has lost a loved one, please call me and I'll send a card. Thanks, Sherry

## **Social Report - Sherry Stanke**

We had 23 people come for the Pot Luck Bunco Party at my house. We had fun visiting and eating and finally getting around to Bunco. Kim Lower won the most games, Jackie (Lois Bell's roommate) won the most losses, Richard Cameron had the most buncos, and Bonnie, his wife, ended up with the bunco bag. Some people had never played the game before and found a new love.

We are looking forward to the Lake Elsinore Storm baseball game which has been changed to June 26, 2010. We will meet at Cowtown or Denny's and car pool - probably about 5:00 pm. Please call June (951) 675-1925 or Beth (951) 687-7069, or me (Sherry) at (951) 531-4361. We usually bring some goodies to munch on and buy ourselves a hot dog. The seats are in the shade between home plate and 3rd base near the dugout. Come join us. Please sign the sign-up sheet.

Nothing official is planned for July, but on Saturday, August 28th at 2:00 pm we are having a pool party at Phil and Linda Wicker's home. It will be potluck so we can experience someone else's cooking! Be prepared to swim in a nice warm pool or just sit and relax and enjoy the great view. Linda and Phil live off of Mockingbird Canyon Road close to Cowtown. Shirley Parker is making a sign up sheet and map. Come out and get better acquainted. Wagon Trains and class members are always invited, too. Please sign-up so we know how to plan for these events, or call one of us. Thanks. Sherry

If anyone is interested in attending some plays, some of us are going to Riverside Community Players (14th St. & Brockton behind Riverside Community Hospital) and are getting season tickets. Call (951) 686-4030.

## **Tough Times**

### **The economy is so bad that:**

I got a pre-declined credit card in the mail.

I ordered a burger at McDonald's and the kid behind the counter asked, "Can you afford fries with that?"

CEO's are now playing MINIATURE golf.

If the bank returns your check marked "Insufficient Funds," you call them and ask if they meant you or them.

Hot Wheels and Matchbox stocks are trading higher than GM & Chrysler.

McDonald's is selling the 1/4 ounce.

Parents in Beverly Hills fired their nannies and learned their children's names.

A truckload of Americans was caught sneaking into Mexico .

Dick Cheney took his stockbroker hunting.

Motel Six won't leave the light on anymore.

The Mafia is laying off judges.

Congress says they are looking into this Bernard Madoff scandal.

Oh Great!! The guy who made \$50 Billion disappear is being investigated by the people who made \$1.5 Trillion disappear!

I felt SO depressed!

I should have gone to COWTOWN for SQUARE DANCING!
