Does it seem like we are having a holiday every time you turn around? I remember when I was young it seemed like the holiday would never be here, now they are over before I know they are here. Do you think it is an age thing? While we are remembering things we have graduation coming up fast on June 12th, and we still have a lot to do. Be sure to put it on your calendar. At last count we have 11 class members.

We had a Cowtown member meeting before class last Wednesday night. A lot of good discussion took place including plans for Graduation on June 12.

We did a demo at Goeske Center on May 18. Single Swingers decided not to do it, so I thought it was off. Just a few days before I got a call from Goeske Center asking us please could we do 1 square. To make this short after thinking about it I decided to ask the ones I knew if they still wanted to do it. They said yes so, I said let me see if we can get a caller. I called Dennis Young, and he said yes so, we were on. Everyone had a fun time, and everyone showed right on time. We even had another square of dancers who just happened to come to the Goeske Center for their 40th anniversary and to cheer us on. See pictures on next page.

After class is over Steve and Sheri will continue a workshop so you can come and work on the things you learned in class. At this time, I think Steve wants to stop the workshop in August to have a break. He will let you know.

Hope you had a nice Memorial Day and here comes Father's Day to celebrate. Hope you enjoy the day.

A group got together and suggested that for the Tim Pepper/Bev Oren Pepper dance on June 7, it would be nice if Club members wear Club outfits from past or present if they have one. If you don't have a Club outfit, think about wearing blue. We're expecting lots of visitors and a fun dance, so whatever you wear, come and have a good time!

Hi everyone,

Happy belated Mother's Day to all the mothers in our club. Hopefully, you were able to spend your special day doing what you wanted and/or spending time with your families. I was out of town most of our class nights in May, however my spies told me our class nights are still dancing with at least 3 squares, most of the time dancing with 4 squares. As I mentioned last month, our students are headed to the home stretch with graduation lurking around the corner, Wednesday, June 12th at 7:00pm. Our students are looking forward to graduation and continuing to learn or practice the calls they have already learned as well as becoming our newest club members.

Please come and join us and show your support for our graduates who have worked hard for this day. It will be a fun evening with Pizza, salad and desserts. If you would like to bring a side dish you are more than welcome.

Our May Sunday class dance was a good dance with Phil Farmer calling. We danced with 4 squares and there were lots of colorful skirts and shirts of red, white and blue celebrating the Memorial Day holiday. We also had two visiting callers, Bill Hunt and Rob Grigsby who each called a tip which was great. This was our last Sunday Class level dance until next year. No more Sunday dances until next year.

We also had a great experienced dancers clothing sale. Our students walked out the door with arms full of clothing ready to start their new dancing career.

Thank you again Angels for all your support, and PLEASE BE SURE AND ATTEND OUR CLASS GRADUATION, JUNE 12TH, 7:00PM.

Kathi

Haven't heard from anyone about our members and friends needing a card and well wishes so things must be going well.

Lets hope it stays that way, but please contact me if you know of anyone that needs a little "Sunshine"
