May was a busy month. Our Club Outfits are on their way; club T-shirts have been ordered and will be here this week and be available at the 1<sup>st</sup> Friday Dance on June 6. Cowtown Singles will stand out when they go to other Club's dances and activities.

Our last Workshop for 2025 turned into a dance to say thanks for our supporters that kept it going since January. Steve and Sheri did a great job for us. Our new beginners' class will begin September 10, so start thinking of ways to get friends and people you meet interested in joining us for the start. Don't forget to pick up flyers or business cards at the dances to pass out to help advertise.

We planned a bus trip to Thunderbird's 57th Anniversary. I'm a little surprised we haven't filled that bus yet with the cost being so reasonable and a chance to dance to Mike Sikorsky and Jennifer Hunt while someone else drives. There are still seats available so pass the word to your friends in other Clubs. Let's show up at Thunderbirds with a good showing to what should be a great dance.

Tim Merino and Heather Haworth will be the caller and cuer for our June 6<sup>th</sup> 1<sup>st</sup> Friday dance. Many of you have danced to Tim and he's a fun caller. Cowtown Singles will be dark for July so be sure to join us. We're turning our June dance into a Red White and Blue Affair so wear your patriotic finery and come to have a good time.

So many members are travelling or busy for the summer so we are not going to have meetings for June and July. Enjoy the summer, dance as much as you can and plan on attending the August meeting. We'll have lot to discuss and plan, especially the start of the new class.

Let's start recruiting for the class.

Hi everyone,

Happy belated Mother's Day to all the mothers in our club. Hopefully, you were able to spend your special day doing what you wanted and/or spending time with your families as well as a relaxing Memorial Day. I was out of town most of our workshop nights in May, however my spies told me our workshop nights were still dancing with at least 2 or 3 squares. As you are all aware, Wednesday, May 28th was our last workshop night until our new class starts in September.

If anyone wants to get more floor time, RSS will be starting a workshop on Tuesday evenings. So please check it out.

Our May Sunday class dance was a good dance with Frank Lescrinier calling. We danced with 3 to 4 squares and there were lots of colorful skirts and shirts of red, white and blue celebrating the Memorial Day holiday. Sheri was not there so Shirley and Frank shared the line dance floor. This was our last Sunday dance until next year.

Thank you again Angels for all your support, and PLEASE BE SURE AND GET THE WORD OUT FOR THE START OF OUR NEW CLASS IN SEPTEMBER.

## Membership

**Gene Stauffer**

Please welcome our two new members, Joe Matus and DeWaine Huff. Their addition to our square dance family will help us fill out more squares.

This brings our club up to 67 memberships and I will send out an updated member list soon.

**Janice Dumos**

Hello Cowtown Members and Friends. We want to wish all our friends from the past few months continued improvement and full healing. This month several members had varying challenges to go through but are on the path of healing.

- Frenchy visited Cowtown but continues to heal for dancing.
- Elizabeth Glaubach was able to return to dancing after her car accident. So happy she's doing well despite her cuts and bruises.
- Carolyn Ulrich is doing well after her outpatient surgery. I believe she was able to visit this past Sunday's dance at Cowtown.
- Tony Dumos continues to gain more energy after his outpatient heart procedure.
- Caller Gumby and Mary Mary from RSS continue their treatments.

Please keep all our friends in your thoughts and prayers. May all continue to heal and be able to return to the dance floor, soon.

Let me know of others that I am not aware of so we may let them know that our Cowtown members are thinking of them.
